

**And so this is Christmas.**

Wait, Christmas!! Where has the time gone. It seems like we just started the Kin year and now we are getting ready to celebrate the holidays.

Fellow Kin, it has been a fantastic year to date. The District's accomplishments over the last 4 months reflects the dedication of the District team and your clubs.

Congratulations to each of you and your clubs for welcoming new and past members and contributing to the overall growth and vibrancy of our Kin community. Your efforts have made a significant impact in membership growth and bringing your communities together through various events. We've had the pleasure of joining you at a few events and we had the best time!

The importance of both growth and retention is crucial. Demonstrating the positive changes within your clubs and showcasing the renewed energy will indeed revive the sense of belonging and enthusiasm among current and former members. As many have pointed out, the joy and fulfillment in Kin comes from the collective effort we put in. Travel, inter-clubbing, attending conventions... aka, drinking the Kool-Aid.

The call to put the fun back into clubs is a wonderful approach to creating an enjoyable and fulfilling Kin experience...the quote from Wes Tyson, "have fun, get more done," copyright, is a powerful mantra that captures the essence of building a thriving Kin community.

We cannot forget the loss of our fellow Kin within D4 and our Kin community this year. Losing our friends, family, and fellow Kin is undoubtedly a difficult and emotional experience. Cherishing their memories and contributions is a beautiful way to honor them and the positive impact they've had on our lives and the whole Kin family.

The Bring'n Kin Back team is here to support you, your Club, and your community events. Don't hesitate to reach out, let us know what you're doing, we are more than happy to help!

As 2023 ends, it's an excellent time to reflect, celebrate, and look forward to the new opportunities 2024 will bring.

Wishing you and your families a Merry Christmas filled with joy, laughter, and the warmth of togetherness. May the New Year bring continued growth, success, and memorable moments for all.

Cheers!

YIK  
Lucia & Gary  
D4 District Governors
