GROW, LEARN AND
HAVE FUN!

Exciting News Alert

We are thrilled to announce the launch of the New & improved d4kin.ca website! After months of hard work, we are so excited to officially unveil the site and invite you to explore all that it has to offer.

Here's just a few highlights:

Easier to navigate:

The new website features a user-friendly design making it easier than ever to navigate and find what you are looking for. Less clutter and more streamlined documents.

Enhanced Features:

We've added new features to improve your experience which include:

- **Easier Event submission** with more visually appealing event displays,
- **Event and Zone-specific Countdowns** giving you greater knowledge for upcoming events and creating excitement!
- **Individual Zone Pages** which will provide a guided focus on each Zone. Pages will be updated with Zone specific event search display to really show off your Zone's individuality with our District,
- **Easier web management** using the Avada platform in WordPress. This will make content creation and overall website management fun and easy for future District Communications directors,
- **Community Engagement:** Look up/Sort events within any Zone as well as use the associated links for each Zone to stay connected to the sub pages on Facebook.

We want to extend a huge thank-you to Trish at Hype-interactive and Erin McCall to the development and execution of the website.

Check it out now at www.d4kin.ca and let us know what you think. Your feedback is invaluable to us as we strive to continuously improve.

Happy Browsing 🌟

AWARDS HANDBOOK

Anytime is a great time to apply for an award or nominate someone or club that is deserving. Check out the impressive list of awards in the handbook today.

**Find it at: iKin.ca ->
Awards -> Awards and
Recognition Handbook**

If you have any questions about awards, I'm here for you!

Angela Jenkins
Awards Director
awards@d4kin.ca

Hello District 4 Members!

Big welcome to our new members and many thanks to their sponsors for sharing the opportunity to be part of this incredible Association!

The work doesn't stop there! It's important for all club members to continue to make them feel welcome and included as well as educate and inspire them. Continuous engagement and education on everyone's part will help ensure that all members feel valued and empowered to contribute their best to the group. Whether someone has just joined or has been a member for years, everyone should feel like they have a place where their ideas are heard, and they feel respected.

To be a fully recognized member of the Association and therefore be covered by the National insurance policy, new and returning members as well as those in certain Club Executive positions are required to complete a Criminal Record Check (CRC). Instructions on how to complete the CRC have been emailed to your Club President and/or other club contacts. Please complete and submit those as soon as possible as it also must be processed at HQ.

Please don't hesitate to contact me if I can help with resources for recruitment and retention or other club matters. Your DGs, Club and District mentors are also a great source of information.

For more info and helpful links, visit District website: www.d4kin.ca
