WE'RE BACK

My name is Julie Melton and I am back for another year as the 2025-2026 Zone G, Deputy Governor for District 4. Since joining Kin I have held every position on the executive except treasurer. As that was not a position of interest, the next step in my Kin career was DG and this year I am also the D4 Awards director, and I am so excited about it. I have been an active member of Kin Canada since 2011. I love being a member of Kin Canada. This past year I won The Kinetite of the Year award for our club, and at District Convention I won the D4 Outstanding Kinetite Deputy Governor of The Year award. Strong communication between the clubs and the district are so important. It is what makes both the zone as well as the district great. You will receive regular communication from the district through us and we will communicate with the district on your behalf.

If we can be of any assistance to any of you at all, please do not hesitate to contact me. I am a phone call, text message, Facebook message or e-mail away.

Hi my name is Adam Lewandowski. I had such a great time as your DG for Zone G, that I wanted to do it again for the 2025-2026 Kin year. My first experience with Kin was in 2017 when I was asked to do some photography for The St. Albert Rainmaker, but didn't join the club until 2021. Since then, it's been quite the adventure including winning the Founding Members National Public Speaking Award and the D4 Outstanding Deputy Governor of the Year Award at our District Convention this year.

What I enjoy the most about being DG, is experiencing the various different ways that each of your clubs helps the communities in which you live. It is truly inspiring to witness the passion and dedication you each have for Kin and for the areas you serve.

If there is anything that Julie and I can do as your DG team, please do not hesitate to reach out via email, text or phone. I'm excited (and I'm sure Julie is as well) to see what brilliant and fun projects Zone G has to offer this year, and we look forward to helping you achieve your goals.

Yours In Kin,

Adam & Julie
